

You're Never Alone! Don't Be A Single Pilot!

At this seminar we will look at Single Pilot Resource Management. We will discuss what resources are available to pilots as well as how pilots can manage them. We will look at Aeronautical Decision Making (ADM) and some techniques to help with it such as PAVE, the 5P's, and IMSAFE. Under Risk Management, we will look at Personal Minimums as well as some techniques for Risk Assessment. Lastly, we will talk about CFIT Awareness and Situational Awareness, then go through several Mishap Scenarios. A Pancake breakfast starts at 8:30 am please see additional information for details.

Directions: From Route 313, take Old Easton Road Northeast to the Doylestown Airport entrance, at parking lot look for the "Pole Hangar". Follow your nose

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
